To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation on behalf of Ms. Teondra Lyles. Mrs. Lyles served as an Early Childhood Character Development Specialist with an emphasis on music at Child Quest Learning Center where I was the Director. Teondra was responsible for guiding children's cognitive and social /emotional development through music. When describing Teondra, leadership and character are just a few of the qualities that exemplify her. She is known for conducting herself with integrity and fairness and is well grounded in her field of character development.

Teondra demonstrates a willingness to make a difference in the lives of children and their families, and her leadership abilities are shown in her willingness to help teachers plan effective instruction and classroom management.

Teondra is committed to ensuring that children learn and develop effectively, and equips parents with tools that help their children succeed. It is with great joy, that I recommend Ms. Teondra Lyles for any endeavor she pursues.

Sincerely,

Denise Belue
