

A vibrant, stylized illustration of a landscape. At the top left is a bright yellow sun with a jagged edge. A large, multi-colored rainbow arches across the sky, with the words "Happy Choices" written in a black, cursive font across its center. The background features purple and blue mountains and two purple birds flying. In the foreground, a blue river flows through a green field. Various children are engaged in activities: a girl in a blue dress and red shoes dances on the left; a girl in a pink shirt lies on the grass; a boy in a blue shirt sits reading a red book; a boy in an orange shirt and a girl in a pink shirt play with a yellow ball; and a boy in a blue shirt jumps over a soccer ball. A girl in a blue dress and red shoes is also visible in the bottom left corner.

# Happy Choices

Happy Choices are what we make  
When we make happy choices there are no mistakes  
From eating to thinking  
From sharing to caring  
We make happy choices  
Happy choices everyday

# I love You Mommy

I love you so much Mommy because you first loved me  
I love you so much Mommy without you where would I be  
Oh your love is like the rainbow it will never end  
Oh your love is like the sun, shining over and over again  
Oh your love is like the ocean, wide, but oh so deep  
I love you so much Mommy  
I love you so much Mommy  
I love you so much Mommy  
Without you where would I be

# Mommy's Kiss

I blow my Mommy a kiss everyday  
She blows it back to me in a special way  
It goes straight to my heart and it let's me know  
That I've got a Mommy who loves me so

(Repeat changing Mommy to Daddy)

# I Say Please

I say please when I need something  
You say please when you want something  
We say please when we ask for different things  
We've got good manners and we say please

# I've Got Good Manners

I've got good manners

Oh! Yes I do

I've got good manners

Oh! What about you

I say thank you for this

I say thank you for that

I've got good manners

Oh! Yes that's a fact

I've got good manners

Oh! Yes I do

I've got good manners

Oh! Yes it's true

I say thank you for this

I say thank you for that

I've got good manners

Oh! Yes I do

# True Friends

True friends are people that you don't often find,  
But the one I have I know will always be mine  
My friend I know is special to me  
In His heart is where He says I will always be

My friend is special to me in every way  
He brings joy we grow closer every day  
When I'm feeling low and hurt deep inside  
He understands and is always right on time

We are friend no matter where we are  
We'll always be together no matter how far  
I knew right from the start that we would never part  
We are friends

# Tab Song

I like to wash my hands in the tub

I like to clean my arms and scrub

I like to wash my neck in the tub.

I want to be clean. Do you know what I mean?

I like to wash my legs in the tub

I like to clean my knees and scrub

I like to wash my feet in the tub

I want to be clean. Do you know what I mean?

I like to wash my face in the tub

I like to clean my hair and scrub

I like to wash my tummy and my back

I want to be clean. Do you know what I mean?

I want to be clean. Do you know what I mean?

# Germs

Wash your hands everyday  
Don't think it's okay to not keep the germs away, hay!  
Wash your hands everyday  
Don't think it's okay to not keep the germs away!

Wash your hands everyday. Ooh! Ooh!  
Wash your hands after play. Ooh! Ooh!  
Keep the germs away

(Repeat changing wash your hands to brush your teeth)  
(Repeat changing wash your hands to brush your tongue)

# Teeth

I like to brush my teeth every day  
I don't want to get that yucky decay  
I don't want to have any cavities  
So be like me and keep clean teeth (repeat)

Every time I eat, every time I brush  
Every time I eat, brushing is a must (repeat)

Don't drink (repeat)  
It will make your breath  
stink-stink

Don't smoke (repeat)  
It will make your teeth  
yellow

Do you brush?  
Yep, Yep! I brush

# Treats

I like to eat potatoes, corn, carrots and peas  
Because these are the veggies that are healthy for me  
I like to eat bananas, apples and tangerines  
It's good to eat a healthy treat  
That taste oh so good to me
