Mother Hen Staff would like to give a BIG THANK YOU to Ms Teondra Lyles for all the hard work she does in putting together her Happy Choices lessons for the children. She calls to tell you ahead of time what her lesson for the day will be and what she will be bringing with her so you can prepare the room. The children look forward to her visit they get so excited when they know she's coming. WE enjoy listening to the children telling their parents all about what they learned and made with Ms Teondra.

Thank You,
Mother Hen Staff
